Sandy,

We are getting a few facility specific questions, such as the one below, and we believe it is best for school officials or Environ to provide the information directly. Is there a specific person we should refer these questions to or some other way you are handling similar questions? Thanks, Tom

Hi Kelly,

Good Morning... I hope that you had a nice weekend.

Can you please tell me why the Wood Shop - room 506 - is still closed at Malibu High School... and what the plan is if any for that room.

Thank You Kelly ...

I look forward to hearing from you...

:) Joni Marcellino
